TAILORED-TO-SIZE COLOURWEAVE®

[TTS]
TAILORED-TO-SIZE

Fibers are prepared and woven into roll goods then inventoried in our Oregon finishing facility, helping accommodate requests for shorter lead times. Local artisans trim and tailor the weave to the specified window size and hand finish the edges before crafting the shade.

COLOURWEAVE

An artfully infused portfolio of weaves made of the inside peel of sustainable bamboo. Custom painted to order by local artisans in modern and traditional matchstick patterns.

Available in standard or custom colors.

MODERN ^{NEW}

A handcrafted double warp updates this traditional weave to a clean contemporary aesthetic. Woven of sustainably sourced bamboo, this new design makes a crisp architectural statement.
