

newton™
SMART SHADE SYSTEM

HARTMANN & FORBES
AUTOMATION

LUXURY *in* MOTION

POWERED BY AN ELECTRIC MOTOR WITH AN INTERNAL RECHARGEABLE BATTERY, THE NEWTON™ SMART SHADE SYSTEM IS A SOPHISTICATED SHADE CONTROL OPTION FOR UPGRADING A MANUAL CORD-LOCK OR CLUTCH CONTROL AT AN AFFORDABLE PRICE POINT.

THIS STAND-ALONE MOTOR SOLUTION IS IDEAL FOR RETROFIT SITUATIONS, SIMPLE APPLICATIONS OR WHEN POWER CANNOT OTHERWISE BE PROVIDED AT THE WINDOW.

COLLECTIONS

Offering the largest collection of natural handwoven shade options, varying from grassweave, papyrusweave and fine linen fabrics to durable performance fabrics.

FEATURES

SAFETY BY DESIGN

safer for homes with children and pets

LOW MAINTENANCE

rechargeable battery with USB cable,
battery life 500 cycles/approx one year

STYLISH

modern metal pull chain and tassel
offered in four colorways

PREPROGRAMMED

shades are programmed prior to shipping
