POINT-OF-VIEW New & Noteworthy

NEW
PRODUCT

Drawing inspiration from the dramatic terrain of the American Southwest, Canyon's combination of geometric forms conjures its towering mesas and expansive plains. Canyon is designed to coordinate with the Museum of Indian Arts + Culture collection and is brought exclusively to you by Hartmann&Forbes. You can discover more at HartmannForbes.com/canyon.

Discover the exquisite Dresden traversing rods from Forest Drapery Hardware USA, available in 10 distinct finishes, most of which can be custom-bent or curved to your specifications. With a selection of nine unique finials, these rods offer your clients endless design possibilities for their homes. Embrace the European elegance and craftsmanship that complements both traditional and modern interiors. Explore more at bit.ly/DresdenTraversing.
