ECOWEAVE GREEN PERFORMANCE

An eco-friendly, low-impact solution for challenging environments. Free of harmful chemicals, PFAS, and PVC. Tightly woven, with a tailored feel, in versatile earth tones and textures that nicely complement our natural woven collections.

ECOWEAVE 104 | 204

Inspired by the timeless look of linen and crafted from man-made performance materials, this design creates a versatile rollershade. Offered in neutral tones, the translucent ECO 104 beautifully filters the light, while ECO 204 delivers blackout coverage. They are free of harmful chemicals and feature Oeko-Tex Standard 100 certification.
