COLOURWEAVE

COLOURWEAVE®

THE LANGUAGE OF COLOUR, LINE & LIGHT

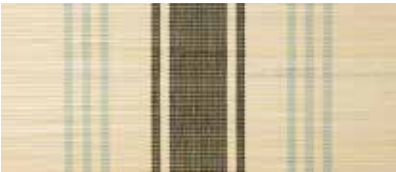

A timeless windowcovering tradition finds new expression. Crafted from sustainably cultivated bamboo and wood, Colourweave explores the beauty of architectural line through natural finishes, custom-painted hues, and handwoven striped designs. Each composition tempers daylight with quiet precision while offering rich colour, warmth, and character.

AMY MEIER

Renowned for seamlessly blending tradition and innovation, Meier's collection spans influences from Japanese minimalism to the warmth and effortless simplicity of a Scandinavian summer. Embracing nature, structure, and ease, each design is artfully expressed through Hartmann&Forbes' handwoven textiles.

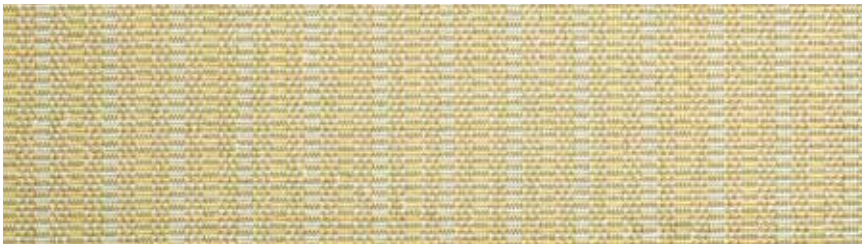

MAJA

A modern take on woven wood, Maja is handcrafted of natural bamboo, marked by a rigorous, alternating striped motif and a soft pearl palette that shimmers in the light.

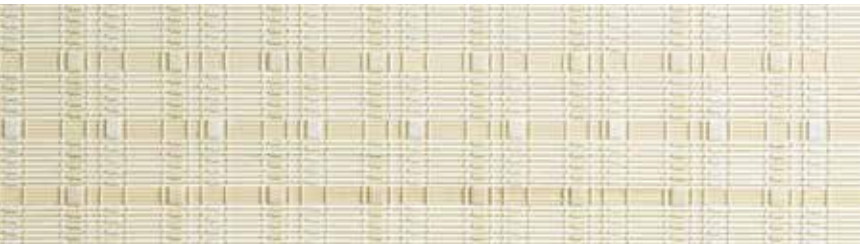

ALMA

The sun-drenched look of a summer beach is reimagined in natural bamboo. Marked by its matchstick-style weft, this woven design combines cream and camel colors in a warm, nuanced weave that conjures a multitude of tiny grains of sand.

GILAS

Rough-hewn bamboo splits in their natural state are artfully hand cross-threaded with a Mughal motif in creamy threads, creating a well-traveled aesthetic. This boldly textural design not only celebrates but elevates the imperfect beauty of natural materials.
