

HARTMANN & FORBES

CERTIFICATIONS & STANDARDS

TRUSTED SYMBOLS OF SUSTAINABILITY

We align with industry-leading certifications that champion environmental stewardship, healthier living, and the preservation of global craftsmanship — because integrity is woven into every detail.

FSC® – FOREST STEWARDSHIP COUNCIL

Verifies that wood-based products come from responsibly managed forests that meet rigorous environmental and social standards.

GREENGUARD GOLD

Recognizes products that meet strict chemical emissions limits, helping to improve indoor air quality and support healthier interiors.

OEKO-TEX®

Certifies that textiles are tested to be free from harmful substances—ensuring safety for both people and planet.

LEED® – LEADERSHIP IN ENERGY AND ENVIRONMENTAL DESIGN

A globally recognized certification for sustainable building design and construction. LEED evaluates energy efficiency, indoor environmental quality, material selection, and resource use. Products that support LEED standards contribute to healthier, more environmentally responsible spaces.

MASTERS OF LINEN®

Guarantees that linen textiles are crafted entirely in Europe using flax grown and processed according to sustainable, traceable, and ethical practices.

HANDCRAFTED

Celebrates time-honored artisanal techniques and supports global craft traditions — ensuring the cultural continuity of handmade excellence.

PROJECT GREEN

An employee-led initiative dedicated to advancing environmental responsibility across our operations through grassroots ideas and company-wide action.

100 BEST GREEN WORKPLACES IN OREGON

Recognizes our decade-long commitment to sustainable practices and employee-driven environmental leadership in the workplace.
