TAILORED-TO-SIZE PAPYRUSWEAVE

# [TTS] PAPYRUSWEAVE

TAILORED-TO-SIZE

A well-traveled collection of wood-pulp fiber designs, celebrating stories and techniques found in global weaving communities. Our modern interpretations of historical patterns are influenced by Asian silks, Navajo weaves, European tapestries, Ottoman rugs and other weaving heritages.

PW50 Snow Lantern

## ZEN

Zen philosophy suggests uncluttered simplicity will stimulate tranquility. The Zen series adorns this philosophy with its refinement.

PW52 Stepping Stone

PW53 Koi Pond

## ARMENIA

Inspired by the cultural transformation of the Persian empire, the Armenia series plays with the drama of light and dark pulp fibers to influence the mood of a room.

PW101t Thistle

## WOOLEN MILL

The value of woven wool blankets dates back to the earliest expeditions across the American West. Inspired by this legacy, the Woolen Mill series offers a superior balance of rustic textures and natural colors.

## BASKETRY

Ranging from highly functional to artistic masterpieces, basket weaving is an art form that spans cultures around the world. The Basketry series draws on this functional expression with five wide-warp designs in a neutral palette.

## SILK ROAD

When Chinese silk was first discovered, it became a treasured commodity that merchants would travel far and wide selling to wealthy rulers and nobility. The Silk Road series emulates these rich textures valued across the historic trade route.

## PHARAOH

As early as 4000 BC, ancient Egyptians would pound and weave papyrus plant fibers to create paper. The Pharaoh series pays tribute to the ancient craftsmen who created the pulp fiber to record the legacies of the wealthy.

## HIMALAYA

Himalayan artisans have been crafting woven rugs since the first Buddhist temples were built in the early Gupta period (4th century AD). Buddhist monks used natural fibers and natural dyes to create simple yet spiritual designs, similar to that of the Himalaya series.
