# LIGHT

Inspired by simple beauty and subtle color that comes from quiet observation of light, of form, and of texture.

Painterly-patterned wall coverings glimmer and glint and pair seamlessly with woven window shades that let in just the right amount of light transforming spaces into elegant realms.

# CIRRUS

WOVEN-TO-SIZE GRASSWEAVE WINDOWCOVERING

Handwoven from natural Ramie, Cirrus' twisting, ladder-like warp thread creates a boudé texture that adds a touch of sheen to the windowcovering.
