HARTMANN&FORBES Introduces Amy Meier Natural Wallcovering

MARCH 2023 (TUALATIN, OREGON) – Renowned creator of sustainable natural window and wall coverings, Hartmann&Forbes is proud to announce the launch of a natural wallcovering in collaboration with Amy Meier, founder and principal designer of Rancho Santa Fe-based Amy Meier Design. Coming off the success their Spring 2022 collaboration, the wallcovering complements her window coverings series which fuses inspiration from Japanese design, the Bauhaus School, and traditional Korean cloth.

NATURAL WALLCOVERING

Framework

This sophisticated, yet soothing wallcovering is a contemporary nod to the traditional chogak bo or patchwork style of Korean Bojagi. Blocks of woven paper in varying sizes are hand-placed in a restrained linear architecture that can be custom arranged to create specific styles and ambiances.
