

Ordering Handwoven Fabric

By-the-Panel

Honeycomb, our first handwoven fabric, is available By-the-Panel, not as cut yardage, providing the width and length your project requires. This approach ensures efficient use of material without excess waste.

DETAILS:

- When ordering handwoven fabric, consider that there is a $\frac{3}{4}$ " selvage on each edge. Fabric will be woven to the dimensions given. No adjustments will be made
- Panel sizes may vary slightly due to the nature of handweaving
- Lead time is consistent with Woven-to-Size Grassweave panels
