TAILORED-TO-SIZE PAPYRUSWEAVE

[TTS] PAPYRUSWEAVE

TAILORED-TO-SIZE

A well-travelled collection of wood-pulp fiber designs, celebrating stories and techniques found in global weaving communities. Our modern interpretations of historical patterns are influenced by Asian silks, Navajo weaves, European tapestries, Ottoman rugs and other weaving heritages.

PW50 Snow Lantern

ZEN

Zen philosophy suggests uncluttered simplicity will stimulate tranquility. The Zen series adorns this philosophy with its refinement.

PW52 Stepping Stone

PW53 Koi Pond

Price Group: 1 | Max Seamless Width: 72"
Available Styles: Roman, Roller, Top Treatment

Shown: PW50 Zen – Snow Lantern, Old Style Roman

ARMENIA

Inspired by the cultural transformation of the Persian empire, the Armenia series plays with the drama of light and dark pulp fibers to influence the mood of a room.

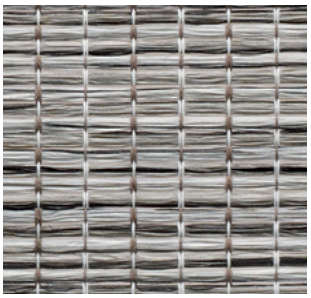
PW101c Cattail



PW101t Thistle

Price Group: 1 | Max Seamless Width: 70"
Available Styles: Roman, Roller, Top Treatment

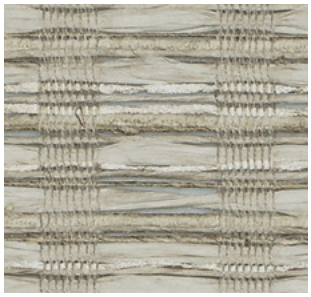
Shown: PW101t Armenia – Thistle, Old Style Roman
PFTR01 Translucent – Soft White, Roller Style

WOOLEN MILL

The value of woven wool blankets dates back to the earliest expeditions across the American West. Inspired by this legacy, the Woolen Mill series offers a superior balance of rustic textures and natural colors.

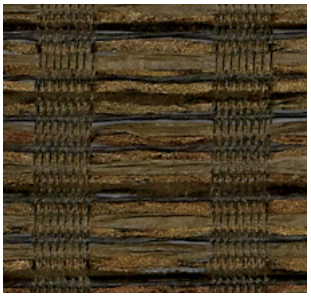
PW157-06 Ecru

PW157-09 Buff



PW157-36 Heathered

PW157-45 Henna



PW157-66 Bruine

Price Group: 4 | Max Seamless Width: 72"
Available Styles: Roman, Roller, Top Treatment

BASKETRY

Ranging from highly functional to artistic masterpieces, basket weaving is an art form that spans cultures around the world. The Basketry series draws on this functional expression with five wide-warp designs in a neutral palette.

PW158-03 Blanched

PW158-36 Dusty

PW158-09 Fawn

PW158-45 Bister

PW158-66 Cocoa

Price Group: 5 | Max Seamless Width: 72"
Available Styles: Roman, Top Treatment

PW56m Moreno

PW56t Terrace

RIO

The Rio series pays homage to the art of Central American weaving. These weaves feature tightly woven pulp fiber in a distinct pattern that captures the spirit of crafts and textiles from this region.

Price Group: 2 | Max Seamless Width: 72"
Available Styles: Roman, Roller, Top Treatment

NAVAJO

The unique designs and uncommon density of Navajo weaving has ascended as one of the most valued forms of art in the world. The Navajo series takes creative inspiration from these loom masters.

PW58w Izota

PW57c Crystal

Price Group: 2 | Max Seamless Width: 96"
Available Styles: Roman, Roller, Top Treatment

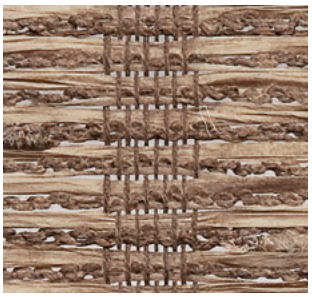
PW10w Pearl Silk

SILK ROAD

When Chinese silk was first discovered, it became a treasured commodity that merchants would travel far and wide selling to wealthy rulers and nobility. The Silk Road series emulates these rich textures valued across the historic trade route.

PW10b Antique Silk

PW10p Porcelain Silk



PW10t Tyairo Silk

Price Group: 2 | Max Seamless Width: 72"
Available Styles: Roman, Roller, Top Treatment

PHARAOH

As early as 4000 BC, ancient Egyptians would pound and weave papyrus plant fibers to create paper. The Pharaoh series pays tribute to the ancient craftsmen who created the pulp fiber to record the legacies of the wealthy.

PW94w Cotton
