Fabric Shade
CASUAL STYLE

CASUAL STYLE

A roman shade that defines casual elegance. Well suited for our Soft Natural Fabrics; when drawn its unstructured drape captures the essence of relaxed living.

HEADRAIL & VALANCE DETAILS

- Liner wrapped 1½"D x ¾"H pine headrail. Other headrail sizes available
- Side returns made to depth of headrail on outside mount shades
- Old Style shades do not come standard with a rear valance. Valance upgrade
- Traditional Style is standard with a 6"L front valance made from the shade fabric. Other valance options available

SHADE OPERATION

- Cord-lock and pulley system
- Pull-cord approximately 40% the length of the shade. If longer pull-cords are needed specify required length. Braided pull-cord available as no-charge option
- Clear cord-cleat (white, silver, bronze, brass available)

SHADE DETAILS

- Inside mount shade has a ⅜"W deduction to allow for operating clearance
- Handsewn translucent liner included. Sheer liner is available as no-charge option
- Pull-cords draw through hand-stitched rings. Cord shroud applied for child and pet safety
- Pull-cord color coordinated to shade fabric unless otherwise specified
- Handcrafted Arc tassels. See tassel options
- Tailor-sewn bottom hem standard with ⅞"H internal hem bar
- Ring spacing is based on shade width to provide the soft curved appearance

Old Style

Traditional Style

Size Limitations
 Min width: 24"
 Max. width: If over 144"
 contact H&F
 Max. length: If over 192"
 contact H&F

DESIGN CONSIDERATIONS

- Depending on fabric choice and operation frequency, periodic dressing may be required to ensure proper folding when raised
- Shades over 72"W may be heavier and more challenging to level when raising. We recommend upgrading to a clutch with cord loop or automation
- Shades wider than a fabric's seamless width will have vertical seams evenly spaced from either side
- Available unlined
