

Fabric Shade  
CLASSIC STYLE

## CLASSIC STYLE

Sewn pleats across the width of the shade body give this roman shade its defining characteristic. The tailored pleats allow for crisp, even folds when raising and lowering, and help to minimize the need to dress the shade fabric.

### DETAILS

- Crafted to Old Style or Traditional Style specifications
- Pleat spacing depends on length of shade

### DESIGN CONSIDERATIONS

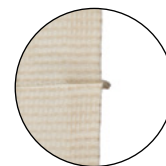

- Recommended for automated shades to minimize need for dressing shade folds
- Small pin holes of light will exist with blackout liner, where ribs are sewn
- Available unlined

Classic Old Style  
(outside mount)
