

Natural Woven Shade
DROP HEM & FIXED
FOLD UPGRADES

DROP HEM

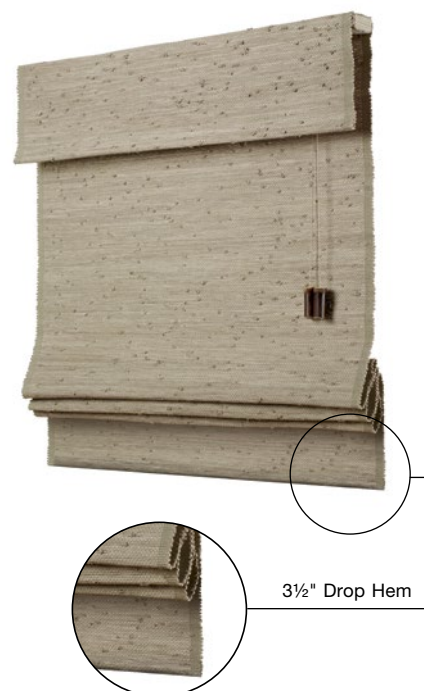

A Drop Hem elevates a roman shade to a more formal decorative aesthetic and allows an option to add trim.

DETAILS

- Operating rings configured to expose 3½"L sun flap

DESIGN CONSIDERATIONS

- Shown as Traditional Style. Old Style available
- Consider adding bottom trim. See Handwoven Border Trim or specify COM trim

FIXED FOLD HEM

Three folds are permanently handsewn into the hem of a roman shade to soften the look when in the lowered position.

DETAILS

- Size of fixed folds will be determined by shade length.
Additional folds available. Contact Customer Relations for support

DESIGN CONSIDERATIONS

- Shown as Old Style. Traditional Style available
